

14 August 2025

Zenabu Suboi,
Swiss Tropical And Public Health Institute,
Kreuzstrasse 2, 4123 Allschwil, Switzerland.

Dear Zenabu Suboi,

Re: Invitation to attend two-week course on Mathematical Modelling for Infectious Diseases (with a focus on Malaria)

You are cordially invited to attend the two-week course on the Mathematical Modelling of Infectious Diseases (Malaria) at the **University of Nairobi**, Nairobi, Kenya on the **18th – 29th August 2025**.

The course is organized and offered by the University of Nairobi's Center for Epidemiological Modelling and Analysis (CEMA), in collaboration with the Swiss Tropical and Public Health Institute (Swiss TPH). The funding for the course is provided by the Applied Malaria Modelling Network (AMMnet).

This intense course will be conducted in person and will offer a comprehensive combination of lectures, discussions, and seminars, with a series of practical sessions to build the modelling skills of the participants.

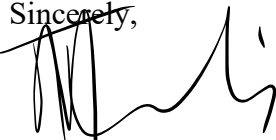

The venue of the course will be University of Nairobi Towers (11th floor) at the Main Campus, along Harry Thuku Road, Nairobi, Kenya. Full participation is required for the entire duration of the course to receive a certificate of participation.

The participants are required to have a working laptop for use during the practical sessions.

If you require any additional information, please feel free to reach out to Waithera Mwangi on waithera.mwangi@cema.africa.

We look forward to welcoming you to the course and to a rewarding learning experience in Nairobi.

Sincerely,

Prof. Thumbi Mwangi, BVM, MSc, PhD

Co-Director

Centre for Epidemiological Modelling and Analysis (CEMA)

University of Nairobi
